Re: Where to purchase disposable medical masks

1) The following link will take you to a page on the Government Relations website. Scroll halfway down the website and you find another link to a 7-page list of Saskatchewan Pandemic Suppliers. (Use **ctrl click** to open)

2) Also, thank you for the tip from Gail at the RV of Wee-Too Beach who tells us that "the Regina and Saskatoon Costco have 50 masks for \$28.99.
