

PARCS UPDATE #121 – May 19, 2020 – This newsletter, which is titled **ELECTIONS & COVID-19** provides the dates for the upcoming resort village elections, the provincial election and the RM elections (for reeve and odd # subdivisions). The newsletter speaks to the changes that need to be made to keep voters and staff safe from infection and also challenges resort villages and RMs to use mail-in ballots (whose use has been made easier due to regulation changes requested by PARCS).
