142/9/19

That in accordance with A Bylaw to Control the Ownership of Animals No. 88 (6) “no person (household) shall keep no more than three dogs or no more than three cats within the limits of the municipality except for registered dogs and cats used for breeding purposes”. If a property owner has a problem with excess wild cats, racoons, rodents, skunks, etc., it is their responsibility to rectify the problem. The municipal office will have names of pest control businesses that are available for this type of work.
